Career Objectives

Seeking a career in Biochemistry and /or a related research/professional sector to get exposure to evolving technologies, develop advanced research competency , and demostratre earned knowledge and skills. Dedicated moleculer biologist with a strong background of Biochemistry and Moleculer biology who's keen to excel in research lab environment. Looking for a challenging position where I can make use of my vast practical knowledge in experimental design, data analysis, and cutting-edge methodologies. Excited to be a part of a team that collaborates to drive creative breakthrough and expand the boundaries of scientific knowledge.

Academic Qualifications

2022	***Master of Science*** *Biochemistry and Molecular Biology* *University of Chittagong* Chattogram-4331, Bangladesh.	CGPA 2.40 out of 4.00
2021	***Bachelor of Science*** *Biochemistry and Molecular Biology* *University of Chittagong* Chattogram-4331, Bangladesh.	CGPA 2.92 out of 4.00
2016	***Higher Secondary Certificate*** *Hathazari Govt. College, Chattogram* Chittagong Board.	GPA 4.58 out of 5.00
2014	***Secondary School Certificate*** *Hathazari Parbati Model Govt. High School* Chittagong Board.	GPA 5.00 out of 5.00

Research and Working Experiences

1.Office Manager	HEAT-11009-CU-sub-project Bichemistry and Molecular Biology, CU September 2025-present
2.Application Executive	Bio-Trade International (Specialized Diagnostics Reagent & Laboratory Equipment) July 2024-June 2025
3. Research Student	Laboratory of Molecular and Structural Immunology Biochemistry and Molecular Biology, CU Jan 2021 – Dec 2024.

4. Project

- ❖ The serotype-cross-talks of anti-DENV antibodies contribute to immune interference, dominance and tolerance of four DENVs limiting the success of dengue vaccine candidates.
- ❖ Investigation of DENV ED3-mediated intracellular cytokine responses in mice models.
- ❖ Investigation of anti- SARS-CoV-2 S-RBD IgG antibody in naturally infected and vaccinated individuals in Chattogram, Bangladesh.

Other Skills and Proficiency

1. Language

Bangla (Mother tongue)
English (Proficient)

2. Computer Skills

Microsoft Office: Word, Excel, PowerPoint.

3. Lab Work

Protein Quantification
ELISA
Flow Cytometry
Microbial Culture and Isolation, Anti-Microbial Activity Test
Working with animal model (Mice)
Nucleic Acid Extraction
Nucleic Acid Quantification, cDNA Synthesis
Conventional PCR, RT-PCR

4. Extracurricular Activities

Champion in Oral Presentation
1st Jamal Nazrul Islam National Conference, 2022.

Poster Presentation
2nd Chittagong Science Carnival, 2022.

2nd Runner Up in Poster Presentation
3rd Chittagong Science Carnival, 2023.

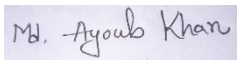

Poster Presentation
BSBMB-SABC-OMC International Conference, 2023.

Referees

Dr. Mohammad Monirul Islam
Professor
Biochemistry and Molecular Biology
