UNIVERSITY OF CHITTAGONG

Biochemistry and Molecular Biology

3.96

Experience

2023-2026

CHITTAGONG UNIVERSITY RESEARCH AND HIGHER STUDY SOCIETY (CURHS)

- Contributed to organizing research festivals and academic events to promote research culture and scientific engagement among university students.
- Assisted in organizing TEDxCU events and various educational sessions focused on research, higher education, and academic development.
- Helped raise awareness among students about international higher education opportunities, studying abroad, and research prospects.
- Collaborated with team members to coordinate events, engage participants, and create opportunities for knowledge sharing and student development.
